

Places Gym Staff Usage Policy

Places Gym, part of the Places for People Group recognises the benefits of “Active Workplaces” and is uniquely placed to provide encouragement and to understand better than most employers the many benefits of physical activity for employees.

Principles;

From day one all PFP employees are entitled to:

- Free use of the gym, subject to normal Health Commitment Statement/Induction rules. Gym access will be agreed by the General Manager and may be limited during peak times.
- Classes (where offered as a complimentary item for members) can be booked/reserved in advance by employee members through the Places Gym website provided they are a registered member. Specialist classes and courses may incur charges in line with normal member fees.

Please note:

- Concessions do not extend to Personal Training or other payable courses.
- Benefits are transferable between Places Gym sites.
- This benefit does not extend to family members.

Procedure;

If you wish to take advantage of the employees membership benefit for Places Gyms you should:

Note, this scheme is discretionary and does not form part of the terms and conditions of employment / engagement. Abuse of the scheme will result in immediate withdrawal of the benefits and may lead to disciplinary action. The company reserves the right to restrict access to facilities and /or inductions. Any such restriction can be imposed by the General Manager with the agreement of the Regional Director.
